WANTS INDUSTRY GIVEN SUPPORT

Hon. H. H. Stevens Attacks Financial Statement of Government Presented in the Budget of Mr. Robb

CLOSER CO-OPERATION WITHIN THE EMPIRE

OTTAWA, March 30.—Hon. H. H. Stevens, former Minister of Trade and Commerce, made an incisive and vigorous criticism today of the Government budget proposals and statements.

At the conclusion of his speech, he recommended as remedies for economic depression that the Government inaugurate a policy which would switch some of our purchases from the United States to other sources and eliminate the adverse balance of trade with that country of $233,000,000; encourage the investment of Canadian capital in industry by removing irritating and overburdensome types of taxation; by adjusting the tariff so as to direct our vast resources of raw material for use in Canadian factories; by tariff embargo, to discourage the reckless export of raw material and make clear that Canadian power is to remain under control for Canadian industry, and to adopt such an attitude toward the Motherland and other Dominions as will lead to closer cooperation within the Empire in trade matters.

Subtle Expedient

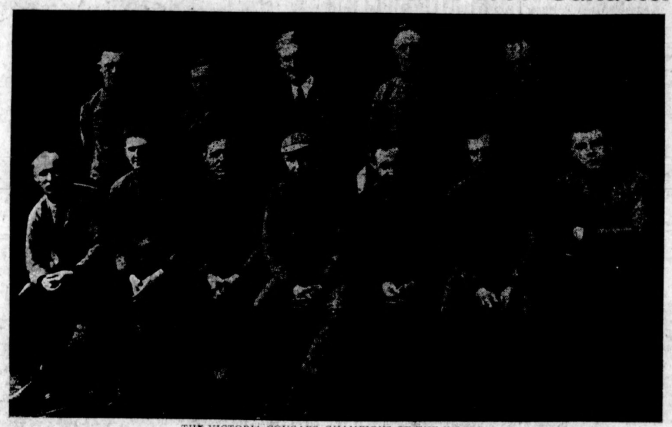

In dealing with the budget, he described it "as a subtle expedient deliberately designed to shield a guilty and moribund Government from the just indignation of an awakening public opinion."

He pointed out that the Government had claimed surpluses in four years amounting in all to $187,814,000, and during that time had received from the British Government on money owing to Canada $122,642,000, or a total of surplus and repayment of capital from Great Britain of $189,456,000. This should have been all applied to the reduction of the national debt, but the facts were that instead of the national debt being reduced by over $200,000,000 there had been an increase of $9,450,000. From this he deduced that the Government had not only not had a surplus at any time during that period, and had also expended all the money received from Great Britain for current expenditure, instead of applying it to reducing the national debt.

Not only had there been no reduction in taxation, he said, but business

SPIRITED AWAY IN NIGHTSHIRT

Chinese Consul at Vancouver Demands Investigation by Attorney-General of Houseboy's Disappearance

JANET SMITH WITNESS BEING HELD PRISONER

VANCOUVER, March 30.—A thorough investigation into the disappearance of Wong Sing, Chinese houseboy in the house of K. P. Baker, Shaughnessy Heights, has been requested by Dr. Lin Pao Heng, Chinese Consul in Vancouver, in a letter to Hon. A. M. Manson, Attorney-General. The houseboy has been missing from the Baker home for ten days, and, although a reward of $500 has been offered by Dr. Heng, no clue to the whereabouts of the missing boy has been discovered.

Was Overpowered

Wong Sing was taken away in his nightshirt," said the consul today, "I believe his abductors overpowered him while he slept, and after rifling his trunk and taking certain papers, carried him away, and are now holding him prisoner somewhere. It may be that his abductors think Wong Sing can tell them something about the death of Janet Smith. From what I have gathered I think Wong Sing has already told all he knows of that tragedy."

Demands Action

Dr. Heng is demanding that the police do not relax their efforts to locate the missing boy and reveal the reasons why he was spirited away.

Hon. Mr. Manson received the letter from the Chinese Consul yesterday, but was adverse to comment on it at this stage, remarking, however, that he was "as curious as the consul" about the details of the Chinese boy's disappearance.

Transfer of Mine

VANCOUVER, March 30.—Steps toward acquiring of a controlling interest in the Selkirks Gold Mining Company's property, formerly the Nugget Mine, by Thomas interests, have recently been taken, it was learned here today. The property, which has had an interesting history as a gold producer, is located at Salmo, B. C.

Mail Order Bride-Elect Finds Affinity Married

HALIFAX, March 30.—The mail-order bride-elect will in future do her matrimonial "shopping" directly across the counter after her romance shattering experiences here yesterday when she arrived from England only to find her husband-to-be already a married man with two children.

True, her mail order lover was on hand to meet her, but when arrangements were being made for the marriage ceremony the man admitted that so far as he knew, his former matrimonial adventure had not been legally ended. His former wife left him two years ago and he did not know where she was. One of his children was in a blind asylum, the other in orphanage.

The marriage did not take place and the immigration officers have another problem on their hands.

40,000 Persons at Victims' Funeral

STRASSBURG, Alsace, March 30.—The bodies of 32 of the miners who were killed in or died later of injuries sustained in the falling of a cage in the Merlebach mine in Lorraine, Thursday, were buried today. The caskets were taken to the cemetery on army wagons. It is estimated that there were 40,000 persons in the funeral procession.

COUNCIL PROVIDES SUM FOR ELK LAKE

ALLOCATES TOTAL OF $14,000 FOR IMPROVEMENTS THIS YEAR

Will Spend $10,000 on Project as Part of the Unemployment Relief Scheme Next Winter

The sum of $14,000 was included in the City Council's estimates last night for this year's expenditures on Elk Lake Park.

Of this sum $2,000 was voted for the seeding of the nearly-completed half of the golf links; $2,000 was appropriated for improvements to picnic grounds, beaches and swimming tanks; and $10,000 was placed in the contingent fund with the understanding that it will be expended on Elk Lake improvements as part of next Winter's unemployment relief programme.

Mayor Pendray warned the Council that $40,000 of the city's money had been invested in Elk Lake Park. The improvements had raised the value of the land to $500 an acre. Something would have to be done to conserve the value of that investment.

Will Recover Money

The city would recover any money spent in seeding the golf links after the crops had been harvested, he pointed out.

Alderman Marchant declared that provision for unemployment relief next Winter had been made in the estimates under the heading "Contingent Fund." This contained only $25,000 and was designed to meet other expenditures in addition to that on unemployment relief. Already nearly $12,000 of this money had been spent to provide work for the unemployed; and, as yet, only three months of the year had passed.

THIRTY-THREE MEN TRAPPED

Sudden Inrush of Water Cuts Off Workers in English Mine —Two Hundred Were Down Below, But Many Escape

RESCUE WORK HAMPERED BY GASSES IN THE MINE

NEWCASTLE, Eng., March 30.—Thirty-three men were trapped in the Seghwood mine near Newcastle this afternoon by a sudden inrush of water. Two hundred men were underground when the flood started, but all except thirty-three made their escape.

Eight of the entombed men were said to be in a perilous position tonight on a ridge near the roof of the mine. Rescue work was being greatly hampered by gases, but the belief prevailed that some of the men would be rescued. One man who came out of the mine during the afternoon said the water was up to his neck.

LORD BALFOUR VISITS JEWISH HOLY PLACES

JERUSALEM, March 30.—The Earl of Balfour, accompanied by Sir Gilbert Clayton, civil secretary of the Palestine Government, and by a guard of honor visited the Christian and Jewish Holy places Sunday.

The distinguished guests in Palestine to open the new Hebrew University April 1, attended divine service in St. George's Cathedral, where Bishop MacInnes preached the sermon.

It was stated that Lord Balfour would proceed to Jericho.

COUNCIL'S SECOND THOUGHTS IN FAVOR OF WADING POOL

"Second thoughts are always best."

Thus ran an old refrain which the City Council evidently had in mind last night when it reversed its former decision not to vote money for a concrete wading pool at Beacon Hill Park.

Ald. Marchant proposed that the Council vote $650 for the pool because, he said, public-spirited citizens would raise the rest of the $1,200 necessary to defray the cost of construction.

One of the service clubs of the city was preparing to raise money for the pool, Mayor Pendray remarked.

Hard-headed business men that they are, the city fathers caught the scent of a good bargain.

"Of course the kiddies should have a wading pool," was the essence of their second thoughts, and, with only Aldermen Cleariue and Shanks dissenting, the $650 vote was passed.

Half-Million Dollar Fire From Explosion

LIVINGSTON, Mont., March 30.—Fire which followed explosion of an oil furnace in a blacksmith shop at Mammoth Springs, in Yellowstone National Park, was brought under control late today after causing damage estimated at between $500,000 and $750,000.

BILL TO LIMIT INTEREST RATE

BRITISH COMMONS APPROVES SETTING UP COMMITTEE

Measure Introduced by Lord Carson Would Prohibit Advertisements of Money Lenders

LONDON, March 30.—The House of Commons this evening agreed to a resolution setting up a joint committee of both Houses of Parliament to consider the bill of Lord Carson amending the law relating to money lending, which would prohibit advertisements and circulars of money lenders and limit the rate of interest charged. The bill was read a second time in the House of Lords on March 18.

Classes for Fathers New Cult in London

LONDON, March 30.—Not satisfied with the plethora of mothers' meetings, hygienic classes and cooking courses, aimed at safeguarding the health of children, Dr. Jeffen, health officer for Finsbury, has organized "classes for fathers" in this borough.

"I want fathers to become more interested in their children," he says. "Until about fourteen years old, most children are managed by their mothers. The father does not know anything about their health or feeding."

Paris-London Amity Grows, Says Mr. Nichol

News report of fresh ill-feeling between France and Great Britain consequent to the clash of opinion in the two countries anent the Geneva protocol should be taken with a grain of salt, according to His Honor Walter C. Nichol, Lieutenant-Governor of British Columbia, who returned home to Victoria yesterday afternoon after two months in France.

Far from being again "perfidious Albion" in the eyes of the French, "there has never been a time in history when the relations of the two nations have been more cordial than they are at the present time," said Hon. Mr. Nichol last night.

The Lieutenant-Governor was in Paris when the British stand at Geneva killed the protocol and its obligation, favored by France as a security measure, for compulsory arbitration of international quarrels, but no bitterness was aroused in Paris by the London action. Confidence was general that the British decision sprang only from sincere efforts to find the best way to put the world back on its feet. In both countries, said His Honor, the people have the utmost faith in the good intentions of the other.

On this trip to Europe Hon. Mr. Nichol confined his visit to France by reason of the fact that the journey was purely for the good of his health. When he left Victoria he had planned to go to Vichy for the famous waters there, but had to abandon that plan when he found the resort closed.

THOUSANDS CHEER COUGARS IN HOUR OF GREAT TRIUMPH

Citizens to Laud Victoria Cougars

A congratulatory civic banquet will be given to members of Victoria Cougars probably tomorrow evening at 6:30 o'clock, in the Chamber of Commerce auditorium. Mayor Pendray will preside. Presentations will be made to the players, and the Victory orchestra will provide selections.

This banquet will be open to the public and will afford Victorians the opportunity of expressing appreciation of the pucksavers' efforts in landing the world's championship for Victoria.

The Victoria Cougars became hockey champions of the globe last night, when Lester Patrick, manager of the local trio of puckchasers, led his team to the second world's title under his direction, and the second for British Columbia's capital city. The Cougars clashed under Eastern rules with the Montreal Canadiens in the fourth gruelling conflict in the world's series, walloped the Easterners high lights by the most decisive count of six goals to one and captured the coveted Stanley Cup. All honor to the blue and gold sextette, say the fans. They have firmly demonstrated to the hockey realm that they are a super aggregation, and leaders in their profession.

That the Eastern teams must improve their standard of playing if they hope to wrest the world's hockey laurels from the West next year or in future years, was the statement made last night to The Colonist by Leo Dandurand, genial director of the Canadiens' fortunes, following the outcome of the battle at the Willows Arena. This was borne out by the superior form shown— by the Victoria club, Western Canada League champions, against the invaders.

Not since the year 1917, when the Seattle club, champions of the Pacific Coast Hockey League, now defunct, beat the Montreal Canadiens, in Seattle, in three games out of four, has the world's championship been secured by a Western Club. The feat of the Victoria Club this year is all the more noteworthy on that account. The Victoria team, in the 1912-13 season, not only won the honors of the P.C.H.A., but also obtained the world's laurels by trimming Quebec, Eastern champions, at the Willows.

WHEAT TOTTERS SIXTEEN CENTS

Avalanche of Selling Orders Brings Sharp Decline and Lowest Price in Several Months Is Reached

DROP OF SEVENTY-SIX CENTS FROM THE PEAK

WINNIPEG, March 30.—Tottering under an avalanche of selling orders, the wheat market was precipitated in another decline which sent prices down to the lowest level in several months.

May delivery was battered down to $1.44⅝, a net loss of 16¼ cents below Saturday's closing figures and a total of 76 cents from the season's peak price of $2.20⅝. May wheat closed at $1.45¾, a net decline of 11¼ cents on the day.

The deferred futures and coarse commodities were swept into the vortex of price disorganization. Buying power flattened out and the local and American markets crashed down with barely any resistance until just before the close.

Causes of Break

Actual causes of the break were not clearly apparent, although market authorities claimed that the liquidation of long lines held for speculative purposes was the principal factor, with United Kingdom and European holders the chief sellers.

Lower Liverpool cables disappointing, and Canadian visible supply and improved weather conditions throughout the Winter wheat belt contributed to the weak sentiment.

On the coarse grain markets flax suffered a decline of 7¼ cents, rye receded 5¾ cents, barley 4¼ cents and oats 2¼ cents.

Will Regent All

SEATTLE, March 30.—Every nation represented in the Far East will profit by the establishment of a British naval base at Singapore, Col. Orme, retired British army officer, said today.

ACTION TAKEN FOLLOWING RIOT BY PARIS STUDENTS

Royalists Call for Resignation of Dr. Georges Scelle and Show Loyalty to Deposed Head

PARIS, March 30.—The suspension of Dr. Louis Berthelmy, Dean of the Borbonne Law Faculty, today, growing out of the rioting by Royalist and Conservative students of Paris on Saturday, caused unusual student effervescence in the Parisian Latin quarter this afternoon.

The projects are under way for anti-government manifestations tonight or tomorrow. Royalists students were ready to stage a protest this afternoon, but the presence of a large group of Communists demanded the "King's Henchmen," as the Royalists are called.

Students Sing

After singing songs criticising Dr. Georges Scelle, the international law professor, whose dismissal order was imposed upon the Supreme Court by the French Government, the young men dispersed shouting: "Resign Scelle" and "Shame on Herriot."

The students then went to Dr. Berthelmy's house, where they shouted their loyalty to him.

The trial of the Borbonne students who participated in Saturday's demonstration, resulted in one medical student being sentenced to fifteen days in prison and to pay a fine of fifty francs for violence. Others being first offenders received suspended jail sentences and small fines.

Find Father and Son With Throats Severed

COBOURG, Ont., March 30.—The bodies of William Beare, 69, and his 14-year-old son were this afternoon found in a vacant house here, their throats cut from ear to ear. The police are of the opinion that it is a case of murder and suicide.

No reason can be ascribed for the tragedy.

CLOVERDALE, B.C., March 30.—Fire which started in the chimney in the home of George Williamson, Pacific Avenue, Cloverdale, at 10:30 o'clock this morning, destroyed the building. The loss, which is estimated between $7,000 and $8,000, is said to be covered by insurance.

NEWS OF THE SPORTING WORLD

Cougars Swamp Canadiens in Deciding Game

COUGARS' FINAL SPRING IS CANADIENS' FINISH

Lester Patrick's Hockey Team Shows Real Championship Class and Finishes the Series, Bringing World's Honors to Victoria in Decisive Fashion, Walloping Flying Frenchmen by 6-1

Easterners Outclassed By Loughlin's Heroes

From the time when Mickey Ion dropped the puck for the first face-off in last night's hockey game, in which the Victoria Cougars cinched the world's championship, for Victoria, right up to the final gong, there could be little doubt that the men who won the title were the better team of the two battling for the honors. The "Flying Frenchmen" were outclassed last night in all departments of the game. The Cougars showed them and the fans who packed the benches that there were no tricks of the game, whether under Eastern or Western rules, that they did not know. They beat the crack team from Montreal in such fashion that there could be no question of luck or breaks about the encounter, and this is how they did it, play by play:

First Period

Victoria has puck from centre-off. Walker has backhand shot on goal. Joliat loses at blue line. Hart goes up but Vezina saves. Coutu goes up but shoots wide. Fredrickson goes down, but loses to S. Cleghorn. Coutu loses to Fredrickson, who, in turn, loses to Morenz. Walker goes up, but misses goal. Joliat goes through, but shoots wide. Fredrickson gets through, but is called off-side.

Fraser loses to Joliat, who goes up, but shoots wide. Walker puts in backhand shot, but Vezina saves. No shot against Victoria net in four minutes. Joliat loses to Walker at defence.

Morenz has first shot on goal, but Holmes clears easily. Fraser comes up, but loses to Morenz. Morens and Joliat go up, Joliat misses open net. Hart brings puck back, but is stopped by Boucher.

Fredrickson Scores—8:05

Holmes saves from Boucher. Walker and Fredrickson go up. Walker passes to Fredrickson, who scores from left wing with beautiful shot —8:05.

Morenz takes puck from Joliat on pass from face-off, but loses to Loughlin, who in turn loses to S. Cleghorn. Hart is off-side, when he goes up with Walker.

Boucher off for tripping Hart on blue line. Holmes saves beauty from Morenz. Loughlin and Coutu off for mixing in front of Victoria net. Canadiens have only four men on ice.

Joliat goes down, but misses. Fraser comes up, but is pushed into corner. Foyston is called off-side.

Joliat goes down, but is stopped by Foyston. Vezina saves from Walker on pass from Foyston. Morens shoots wild. Fraser goes up, but loses to S. Cleghorn, who in turn loses to Fraser.

Fraser is stopped by Joliat. Joliat goes up, but loses to Fraser, who is skating back fast. Anderson on for Walker. Anderson goes up with Fredrickson and Meeking, but lose out at defence.

Joliat and Morens go up, but are stopped at blue line by Loughlin. Loughlin loose to Mornez, but Fredrickson takes puck at centre ice for wide shot on goal.

Meeking loses to Coutu, who goes up, but loses to Fredrickson, who passes to Morens. Fredrickson goes up but loses to Boucher. Boucher passes to Coutu, but Holmes saves. Halderson gains puck, but loses on defence to Coutu. Coutu goes up, but loses to Fredrickson, who goes up easy shot.

Loughlin Hits Boards

Loughlin hits back of boards with fast one, missing goal by inches.

Fredrickson takes puck around back of net and passes to Meeking, but Joliat takes check and goes up to shoot wide. Victoria puts on four relief men. Foyston has puck and misses goal as he goes. Victoria has big edge. Score: Victoria 1, Canadiens 0.

Second Period

Morens takes puck from face-off, passes to Boucher. Holmes saves long one. Fraser goes up, but loses to Joliat. Fraser takes puck from Joliat, but loses to Morens. Morens is right through, but Holmes comes out to save.

Hart Scores Second

Cleghorn gets puck, but Hart intercepts pass to Joliat on blue line and burns in to just past blue line. He shoots long fast one that beats Vezina and finds way into corner of the net for Victoria's second goal—1:35.

Les Canadiens make big effort from face-off, but do send only one more than two men. Morenz goes through, but shoots long shot wide. Fraser gets puck, loses to Joliat. Fraser loses to Morenz. Cleghorn is called off-side when he goes up with Morenz. Morenz gets puck from centre, but shoots from blue line into Walker's pads. Walker goes up and takes long shot, which Vezina saves. Anderson comes on for Walker. Anderson takes puck from Joliat, passes to Meeking, but they lose at defence to G. Cleghorn.

Three men go up for the Canadiens, but O. Cleghorn does not pass, and loses to Loughlin. Loughlin goes up, but loses at defence. Halderson takes puck from Joliat. Boucher takes puck from Halderson, but loses to Loughlin. Loughlin loses to Morenz.

The Frenchmen's Only One

Joliat and Morens go up. Morenz carries puck along right wing, takes long shot on goal. Holmes spears to catch puck, but it drops into goal, and goal judge raises his hand. —10:03.

Canadiens are striving to get another. Three men are going up. Coutu takes puck from Loughlin, but loses at defence. Loughlin goes up, but loses to Fraser, who is penalized for slashing at Walker. Joliat puts fast one into stands.

Victoria Gets Another

Walker and Halderson go up. They pass twice, Walker to Halderson, who passes back to Walker. Jack Adams, hits Vezina, and Halderson goes in fast on rebound and shoves puck into net.—4:47.

Morens hits post on pass from Joliat. Fraser goes up, but loses to Coutu. Coutu loses at defence to Loughlin, who misses goal with long shot.

And Another

Foyston takes puck from Coutu, goes up with Meeking. They pass at centre. Meeking takes puck down right wing, passes to Foyston, who is uncovered in goal mouth. Foyston shoots easily and scores.—4:09.

Joliat goes up twice, but loses at defence. Loughlin has puck as bell goes. Score, Victoria, 4; Canadiens, 1.

Third Period

Boucher has puck from face-off. Takes long shot. Fraser goes up, takes long shot, which Vezina saves. S. Cleghorn loses to Fredrickson, who passes to Fraser. Fraser takes long shot, but Vezina knocks it out with stick. Coutu puts his feet around Fredrickson when he stops him. Hart is called off-side on pass from Fraser.

Hart passes to Walker, who passes to Fredrickson. Freddie scores with long shot. Coutu goes up, but loses to Fraser. "Gordie" takes puck up, shoots from centre, but misses goal by few inches.

Victoria is playing defensive game. Two men only going up. Hart hits post with shot. Holmes saves from Morenz.

Coutu Off

Coutu tries to put Loughlin into hands but misses. Is sent off. Fraser fools S. Cleghorn by knocking stick on ice and goes up, but loses to Boucher. Joliat takes puck, but loses to Walker.

Still Another

Walker goes down left wing, passes to Fredrickson in goal mouth with only Vezina to beat. "Freddie" takes lots of time and slips rubber past Vezina.—7:05.

Walker makes wonderful save from Joliat after face-off. The crowd is booing Coutu for his rough work. "Jocko" Anderson is through with Meeking, but they are off-side. The Frenchmen send on their three subs, Mantha, Headly and Mats. Matz goes up with Joliat and Mantha, but they lose at defence.

Foyston draws big hand from crowd by his clever work in going through, but his shot is wide.

O. Cleghorn goes up, loses to Hart. Hart puts in fast one, but Vezina saves. The Frenchmen send up three, but are stopped at defence. Joliat missed open open net on pass from Matz.

Anderson hits Vezina in chest with long one. Halderson stops Joliat and gives crowd good laugh. Victoria is skating rings around the N.H.L. champs.

Vezina Lucky

Vezina makes lucky save from Foyston. Holmes made wonderful save from Matz from three feet out. The regulars. Morenz and Coutu return to the fray. Fredrickson skates by, but shoots wide. Fraser rattles Vezina's pads with long one, and four Frenchmen go up. Boucher passes to Morenz in goal mouth, but Holmes makes fine save.

The Defence Score

Both Loughlin and Fraser go up. Loughlin gets through, passes to Fraser, who beats Vezina with shot into corner.—9:26.

The Frenchmen go up four abreast, but get nowhere. Fraser and Meeking fight in goal with Vezina, but he clears. Walker is trying hard to score, takes puck from Morenz, but loses to Joliat.

Joliat puts fast one in, but Holmes saves just as bell goes.

Final score—Victoria, 6; Canadiens, 1.

Freddie and Walker Leading Scorers in Series Just Closed

As a result of last night's torrid hockey battle when the Victoria Cougars defeated the Montreal Canadiens, 6-1, two Victoria players, Fredrickson and Walker, climbed to the top of the list for scoring in the world's series, replacing Morenz, who formerly held the lead. Fredrickson and Walker are tied for points with getting three goals and two assists. Morenz holds third position, being unable last night to boost his score.

The final check-up on the official standing of the players on the scoring averages shows no less than nine Victoria players with points as against four Canadiens, thus indicating the all-round playing of the Victoria team. After Morenz comes Joliat, with three points from three goals, followed by a string of three Victoria players with the same number of points secured from goals and assists. The chain is broken by Boucher, who holds the eighth position, and then another string of Victorians.

It is noticeable that the Victoria players secured a greater number of goals than the Canadien players, once again indicating the advantage in team work, which will count in the final tally.

Scoring Table of Series

The scoring averages in the series, which came to an end last night, are as follows:

	G.	A.	Pts.
Fredrickson, Cougars	3	2	5
Walker, Cougars	3	2	5
Morenz, Canadiens	2	2	4
Joliat, Canadiens	3	0	3
Fraser, Cougars	3	0	3
Hart, Cougars	2	1	3
Halderson, Cougars	2	1	3
Boucher, Canadiens	1	1	2
Anderson, Cougars	1	0	1
Foyston, Cougars	1	0	1
Loughlin, Cougars	1	0	1
Coutu, Canadiens	1	0	1
Mocking, Cougars	0	1	1

BOWLERS ARRANGE FOR CHAMPIONSHIPS

VANCOUVER, March 30.—A decision to request all clubs affiliated with the association to run a competition to decide winners in the singles, doubles and a rink championship in the individual clubs, the winners of each to play off for the district B.C. championship, the winners of which will be eligible for the Dominion championships which are to be played in Eastern Canada, was decided at a meeting of the British Columbia Lawn Bowling Association last night. The action of the clubs is to be reported back to the association at the next meeting.

Another decision adopted was to the effect that in the competitions to be staged during the tournament week for the "champion of champions," all single winners of clubs for the years 1923 and 1924 will be eligible.

This is necessitated by the fact that this competition was not played last year.

The B. C. championships will be staged during the week of July 20.

CANADIAN GOLFER WINS

ST. AUGUSTINE, Fla., March 30.—Stanley Thompson, Canadian, today won the first leg of the Ponce de Leon golf trophy by defeating Kenneth Feed, of the Scarsdale Club, New York, in the final round of the tournament here. The score was nine and eight.

POOLEY HANDICAP

Draw for First Round Ladies' Competition Starting April 1 at Oak Bay Links

The draw has been made for the first round of the Pooley Handicap Cup to be competed for by the ladies of the Victoria Golf Club. The round has to be played between April 1 and April 12. The draw follows:

Mrs. Heming and Mrs. Pangman.
Miss M. Wilson and Mrs. Mbore.
Mrs. Paterson and Mrs. Rom.
Mrs. King and Mrs. Green.
Mrs. Goward and Mrs. Mellin.
Miss B. Tuck and Miss Pitts.
Mrs. Armstrong and Miss S. Spencer.
Miss Isabel Wilson and Mrs. George Gash.
Mrs. C. E. Wilson and Mrs. Hedley.
Miss Bayward and Mrs. Musgrave.
Mrs. J. Wilson and Mrs. H. C. Johnson.
Mrs. B. A. Harris and Mrs. Philbrick.
Mrs. Hutchinson and Mrs. Prior.
Mrs. Godfrey and Mrs. Thomas.
Mrs. Howell and Mrs. Parry.
Mrs. Gore and Mrs. Pierce.

SOCCER LINE-UP

Following is the team which will represent the Hudson's Bay Company football club in their Hayward Cup championship game with the Royal Athletic Park, kick-off at 3 p.m.: Shrimpton, McKay and Gardiner; Baggen, Webber and Cull; Addie, Woodley, Denholme, Stewart and Toohy; reserves, J. L. Fox and Kroeger. Players are requested to meet at the employees' entrance at 2:30 p.m. sharp.

City Basketball Titles Are at Stake Tonight

Three important City League basketball fixtures are on the card to be played at the Willows tonight, as follows:

At 7:30—"C" men: Gorge vs. Y. M. C. A.

At 8:20—"E" ladies: James Bay vs. Spencers.

At 9:50—"A" men: Falcons vs. C.P.R.

Three really fine games should result, and it would be hard to pick the winner in any one. The Y. M. C. A. boys must turn back the Gorge to get a chance to meet Spencers in a game to decide the "C" men's honors. If the Gorge win Spencers are sure of the championship without further play.

The James Bay girls will be out at full strength in hope of turning back the speedy Spencers five. If they succeed, they will gain the right to a play-off with them for the title. On the other hand Spencers can make sure of the title by winning this game.

C.P.R. must beat the Falcons or be eliminated. If the Falcons beat the railwaymen they win the honors in the "A" division. The C.P.R., with their backs against the wall, will be out at full strength and a great game should result.

HOCKEY PLAY-OFFS COMMENCE TONIGHT

Colonist Meet Times in 253-Pound Class—Final Bay Monarchs and Times Clash in 110 Pounds

The play-offs for the roller hockey championships will commence this evening at the Victoria West gymnasium when The Colonist and Times teams will meet in their first game in the 135-lb. class division. The other game to be played the same evening will be between the Foul Bay Monarchs and Times, who are the leaders in the 110-lb. class.

Two games are to be played in each series and the total number of goals scored in the two games will determine the champions for 1925. All of the opposing teams are very evenly matched, and it is expected that some thrilling hockey will be witnessed.

The balance of the games will be played as follows: Wednesday evening, V.I. Midgets vs. Runners-Up (either Fleetfoots or Foul Bay), and V.I. Rhaiks vs. Colonists. Thursday, V.I. Midgets vs. Haultains in 75-lb. class and Foul Bay Monarchs vs. Times in final game of 95-lb. class. Friday, final game, 90 lbs., and final 135-lb. class. Saturday, final unrestricted weight class.

The Championship

Great interest is being displayed among the hockey fans of the city in the games scheduled for Good Friday with Seattle for the world's championship. The local managers, Bill McAllister, of The Colonist, and W. H. Davies, of the V.I. Midgets, are leaving nothing to chance, and will have their teams in the best possible condition for these crucial games. All the players are imbued with the spirit of winning from their American cousins and retaining the world's championship in this city for another year. It is felt that, as the games will be played under the local rules, which will not permit the goalies to kneel in goal, the local teams will have a big advantage, as the Seattle goalies, by their blocking the goal in the Seattle games, impeded Victoria's chances of scoring very materially. The tickets for the games are now on sale at Empire Realty Co., 641 Fort Street, and it is expected that there will be strong demand for same.

Saturday night's results were as follows: 135 lb., Colonist, 21; Navy, 3; 80 lb., Foul Bay Pacers, 11; Fleetfoots, 3; Foul Bay Falcons, 12; Canucks, 2.

PARIS, March 30.—What are declared to be new records for five miles and for five and ten kilometres (respectively 3.11 and 6.21 miles) were made on Montlhery Speedway today by the English auto driver, Eldridge. Eldridge drove the five kilometres in one minute, 24 and 57-100 seconds, the five miles in 5 minutes 28 and 40-100 seconds, and ten kilometres in ten minutes 54 and 45-100 seconds. All the times exceeded an average of 128 miles an hour.

Victoria Cougars Win Stanley Cup--History Of All World Series

The Victoria Cougars, by winning last night at the Willows from the Montreal Canadiens, by the one-sided score of six goals to one, captured the Stanley Cup and the world's professional hockey championship. The Eastern and Western champions meet each year to determine the world's champions. Les Canadiens won the cup and title in the 1923-24 season, but this year the trophy and honors accompanying it pass to Victoria for the next twelve months.

The Stanley Cup, emblematic of the professional hockey championship of the world, was donated to the Amateur Hockey Association of Canada in 1893 by the late Lord Stanley of Preston, Governor-General, as a challenge trophy to be competed for and held by champions of the recorded senior leagues at that time, one match only being necessary to decide the winners.

The first holders of the cup were the Montreal Amateur Athletic Association team, champions of the A.H.A. of Canada, in 1893. From 1893 to 1898, the contest for the cup consisted of a single match—"sudden death," as the hockey phrase is. In 1899, the idea of playing the best two out of three for the cup was inaugurated by the hockey associations, the Victorias of Montreal and the Victorias of Winnipeg making a request to the trustees to play under that agreement.

The first year that Eastern and Western teams competed in the series to determine the world's championship and possession of the coveted Stanley Cup, was the 1912-13 season, when Quebec, winners of the National Hockey League, traveled Westward and met in Victoria the players under Lester Patrick's guidance. The Victoria club defeated Quebec in the series here. By winning again this season, the world's hockey championship, the Stanley Cup, has come to Victoria for the second time in the city's professional hockey career.

The World's Series

The results of the different world's series competitions follow:

1915—Quebec won N.H.A. title. Quebec came West to meet Victoria, champions of the Pacific Coast League. Victoria won world's championship by defeating Quebec at Victoria.

1914—Toronto won N.H.A. title and cup. Toronto defeated Victoria three straight games in Toronto.

1915—Ottawa won N.H.A. title. Vancouver defeated Ottawa three straight games in Vancouver.

1916—Portland won P.C.H.L. and cup. Canadiens of Montreal defeated Portland three games out of five, in Montreal.

1917—Canadiens of Montreal again won the N.H.A. title, but lost cup to Seattle, in Seattle, losing three games out of four.

1918—Toronto won the cup from Vancouver in Toronto.

1919—No decision. Canadiens and Seattle, played in Seattle, but series was stopped by influenza epidemic.

1920—Seattle won P.C.H.L. title. Ottawa, winners of N.H.L., defeated Seattle three games out of five and won cup; first three games in Ottawa, fourth and fifth in Toronto.

1921—Vancouver won championship. Ottawa won N.H.L. and defeated Vancouver in three games out of five, at Vancouver.

1922—Vancouver repeated in P.C.H.L. St. Patricks won N.H.L. title and defeated Vancouver in three games out of five in Toronto. Vancouver had previously eliminated the Regina Capitals, champions of Western Canada League, by 5-3 on the round, the first game taking place at Vancouver, and the second at Regina.

1923—Ottawa captured championship of National Hockey League; Edmonton won title in Western Canada, and Vancouver were P.C. H.L. champions again. Vancouver won from Ottawa in championship series by eliminating Edmonton. Ottawa came to Vancouver, and defeated the Western team for the honors.

1924—Montreal Canadiens won N.H.L. title. Calgary, winners of the Western Canada Hockey League, and Vancouver, P.C.H.L. leaders, traveled East, where Canadiens first eliminated Vancouver, and then, by defeating Calgary, captured world's championship.

1925—Canadiens again repeated in East, securing the honors by defeating Toronto in play-off; and then Hamilton, which drew a bye, refused to face Canadiens in finals. Victoria won Western play-off by defeating Calgary, and then secured world's championship by trouncing the Canadiens in three games out of four, three of which were played in Victoria, and the other one on Vancouver ice.

LESTER'S MEN WHIP LES CANADIENS BY CONVINCING MARGIN

Continued from Page 1

"Naturally I'm gratified at the signal succeeds of the Cougars," said Lester Patrick last night, when the championship had been safely tucked away by his cohorts. "The boys certainly played to form, were right there with the finish, and well deserved the success that they garnered. I promised local fans at the start of the season that I would give them a team of world's championship calibre that would go right after the honors, and the boys have breezed through wonderfully. We appreciate the support and encouragement given by the fans. They aided greatly in enabling the Cougars to win the major prize."

Leo Dandurand, the Canadiens' manager, expressed regret at the failure of his Frenchmen to take the series. "The best team won, all right, but we did our best, and tried valiantly to prevent the Victoria players from clinching the championship. We were up against the real obstacle in the strength of the Cougars' reserves. Their ability to substitute men without impairing their strength meant everything to them. Yes, the best balanced aggregation was successful. Luck to Victoria," he said.

Playing the Canadiens to a standstill, and outclassing them in every department of the game, Lester Patrick's proteges easily walked through the Flying Frenchmen, and downed them under their own Eastern rules by the one-sided score of six goals to one. The tally well represents the performance of the respective clubs. The Victoria boys were flashing with their spectacular brilliance throughout the fracas, and the jammed Arena cheered continually the marvellous work of the members of the home outfit.

Cougars Take the Lead

Right from the commencement the Cougars took the lead, and retained it without difficulty through three periods of strenuous hockey. They got away to an excellent start when Frank Fredrickson, who played one of his best games this season, fooled Georges Vezina, Montreal cage custodian, with a pretty effort. The crowd went wild. They hollered, yelled and cheered, almost raising the rafters with the volume of noise. They cried for more tallies, and their entreaties were answered in the final two spasms.

The Canadiens found the Victoria defence last night very different to that of Friday night. The local defensive line time after time upset the strategic plans of the Easterners, while the Victoria forwards were clicking as they never skated before, and uncorked a brand of rapid speed and wonderful stickhandling that has seldom been seen here this season. Victoria was in Al form, went right out after the championship, and brought home the bacon in a fashion that those who witnessed the fray will have cause never to forgive. The winners deserved the spoils of success.

Come in Lively Order

Goals came thick and fast in the middle of the second period, the Cougars, while the Canadiens secured their solitary counter. Harold Hart was the first scorer, and ten minutes later Boucher gave the visitors heart by his tally. Victoria went on to the end, combination work of the Cougars proved too much altogether for the Frenchmen's defence, and resulted in the rubber passing Vezina four times. Freddie, Halderson, Loughlin and Foyston shaking the markers, with two assists given by Jack Walker and one each by Meeking and Fraser.

Every member of the Victoria Cougars played a great game and deserves credit for the spectacular success that the team secured under Eastern rules. The regulations were not any mystery to the Western club, which played the Frenchmen at their own style, and soundly whipped them. The visitors tried valiantly to score in the initial period, but Happy Holmes and the local defence kept them out beautifully. And when the Cougars got their huge lead the home club guarded its citadel as cautously as one could imagine, and the attempts of the Canadiens were doomed to positive failure.

All Give Their Best

To single out individual players on the local roster for special mention would not be easy in justice to all of them, because they all gave the best that was in them, and that contributed to their phenomenal playing that spelt victory. The boys have been engaged in a heroic struggle during the semi-final and final play-offs in the Western Canada League, and then the world's series against the pride of Eastern Canada, and to belong to a team that has vanquished all that came in their way is something of which to feel justifiably proud.

Victorians appreciate the great fight the local men staged to win the world's series, share in the money that goes with it, and also bring the title to Victoria this season. The Cougars' success has meant and will continue to prove a great source of publicity. They have widely advertised the city, and are happy to be associated with a club belonging to Victoria. The team and Victoria have reached their zenith in hockey fame. May they long continue to retain this enviable privilege and position.

"Bernie" Schwengers Playing Fine Golf

If "Bernie" Schwengers maintains the form he is now showing in his golf game, there seems very good reason to be hopeful that this year he may succeed in bringing the championship of British Columbia to Victoria again. A couple of years back he reached the finals when the championship was played for at Oak Bay. This year the tournament will be held at Colwood, his home course, where on Saturday last he turned in the fine score of 77 gross while competing in the club's monthly medal competition. After deducting his handicap of 8 this gave him the net score of 69. The nearest to Schwengers in the final results were W. Rasmussen with 85 gross, 77 net, who tied with C. B. Deaville with 97 gross, 77 net, for second place.

BILLIARD RECORD

MINNEAPOLIS, March 30.—Gus Cegolos, of Detroit, Mich., broke the world's three-cushion billiard run record here today, defeating Johnny Layton, of Minneapolis, 50 to 27 in 23 innings. The former record was 23 innings, held by Robert Cannefax.

NEW BASEBALL LEAGUE MAY BE FORMED HERE

Port Angeles Dispatch Says Anacortes, Port Angeles, Victoria Amateur League to Be Formed

PORT ANGELES, March 30.—Victoria, B.C., Anacortes and Port Angeles will be formed into a four-team amateur baseball league during the coming Summer if present plans are completed. With the inauguration of ferry systems, it is planned for Port Angeles and Anacortes to play in Victoria Wednesdays against two Victoria teams and for Victoria to play in Port Angeles and Anacortes each Sunday. The Canadian Pacific Railway baseball team, of Victoria, has charge of the plans.

Mr. Darrell Spencer, president of the Victoria Amateur Baseball League, when asked last night to substantiate this report, said that he knew nothing whatsoever about it. There will, however, be a meeting of the league next week, when plans for the coming season will be discussed.

NEWARK, N.J., March 30.—George L. "Boots" Rickard, nationally known fight promoter, today was fined $7,000 by Federal Judge Hodine for conspiracy to violate the law regarding illegal transportation of prize-fight films. Rickard and four co-defendants were convicted in Federal Court in Trenton on March 19 on the charge, which was brought in connection with transportation of the Dempsey-Carpentier fight films.

TILLICUM CRICKET MEETING

The Tillicum Athletic Club will hold its annual cricket meeting tonight at 8 o'clock in its clubrooms, Broad Street. All interested in this line of sport are cordially invited to attend.

COUNCIL TENDERS CONGRATULATIONS TO HOCKEY TEAM

A resolution tendering hearty congratulations to Lester Patrick and his Cougars, champion ice hockey team of the world, was passed by the City Council last night.

The city fathers were not so deeply immersed in knotty problems of state as to be entirely forgetful of "the game."

The Council was considering the consolidation of sewer by-laws, when City Clerk Bradley was observed to flit silently from the room. He returned a moment later, his face wreathed in smiles, and whispered in the Mayor's ear. His Worship grinned broadly.

"Gentlemen," he announced. "The score's four to one in the second period."

There was an instant epidemic of smiles and an outburst of applause. The congratulatory resolution was the climax to a very happy evening.

HEART WAS WEAK NERVES ALL GONE

Mrs. J. H. Hallenbeck, 1174 Welland Avenue, St. Catherines, Ont., writes:—"I was in a gas explosion; it left me with a weak heart, and my nerves were all gone. I suffered everything; couldn't sleep or endure any excitement, and when left alone I felt as if I could scream. I took dizzy spells, often falling and bruising myself. My mother read about your Milburn's Heart and Nerve Pills, and bought me a box, but having taken so many different kinds of medicine it just seemed that I did not have any confidence in any of them. I took one box of H. & N. Pills, and felt so much better I continued with them until I had used five boxes, and after I had taken them I found I need any more. I cannot praise, or recommend, Milburn's Heart and Nerve Pills too highly after all they have done for me."

Sportive Punches

By the "Old 'Un"

This year's boat race (Oxford and Cambridge, of course) will go down on the records as one of the remarkable ones in the history of this great historical sporting event.

* * *

Very seldom in the history of the race has it happened that either boat did not finish the course. Never, except when disaster beyond the crew's control has overtaken one or other of the University eights.

* * *

To continue to race a waterlogged "light ship" is an impossibility, as anyone knows who has ever found himself in the predicament of having to sit one, while to continue to try and do so is to risk a fatality.

* * *

In 1859 the Light Blues (Cambridge) went down into the icy waters of Father Thames, near Barnes Bridge, while the Dark Blues passed the post in an almost sinking condition.

* * *

On that occasion the steamers following the race, which was rowed in very stormy weather, behaved disgracefully, and it was their wash which finally swamped the Cambridge boat as they deliberately passed her, already in a sinking condition.

* * *

The umpire threw out lifebuoys and so saved the lives of some members of the crew who could not swim, among whom was the future Mr. Justice Smith.

* * *

A close parallel to last Saturday's race was that of 1886 when Cambridge were out of it from the start, were only kept afloat by bladders placed underneath the seats, and finished the course in a waterlogged condition far behind Oxford, who had also shipped a lot of water, but were able to row.

* * *

On this occasion Cambridge lost the toss, as did Oxford this year, and were, in consequence, exposed to the full force of the storm.

* * *

There is no sporting competition in which the winning of the toss can make such a tremendous difference under certain weather conditions as in the Varsity boat race.

* * *

And rowed at the time of year at which it has been rowed for many many years, there is probably no sporting competition in which the risks are so great of one or other or both of the competing sides being upset at the last minute by illness.

* * *

Influenza has played havoc with more than one Varsity crew within a few days of going to the post.

* * *

And yet it continues according to tradition, rowed over the same course at the same trying time of year, and holds its popularity with the British people generation after generation, unique among the sporting events of the world.
