DISTRICT OF OAK BAY

Community Engagement

Central Oak Bay and Bowker Avenue Active Transportation Projects

Dear Resident,

Whether you walk, cycle or roll, the District of Oak Bay is bringing active transportation improvements to your community!

What's Happening?

The District of Oak Bay is beginning community engagement for the **Central Oak Bay** and **Bowker Active Transportation Projects.** This phase of community engagement includes a questionnaire and an in-person community pop-up.

This engagement will help gather insight our community about issues along the corridor and help inform the conceptual design.

These two projects may include improvements such as:

- Crosswalk improvements or installations
- Traffic calming
- Signs and paint markings
- Intersection improvements

Share Your Input

The questionnaire is available by scanning the QR code or by visiting **Connect.OakBay.ca.** It will be open until Tuesday, September 22, 2026 at midnight.

Join us for an in-person community pop-up to speak with staff on **September 16**, from **3 p.m. – 6 p.m.** outside the Oak Bay Fire Hall and Police Station at 1703 Monterey Ave.

Stay Informed

All community engagement opportunities and project updates will be posted on the project webpage: **connect.oakbay.ca/central-oak-bay-and-bowker-avenue-routes**
